

Part of the **Cornerstone Building Brands** Family

March 11, 2024

Dear Valued Customer,

Cornerstone Building Brands would like to thank you for your continued business and partnership. We are reaching out today with an important update regarding pricing for the Ply Gem, Mastic and Variform brands.

In early 2023, we re-evaluated our vinyl panel pricing architecture in an effort to partner more closely with our customers and enhance the overall experience with our business. This year, we are continuing our commitment to complexity reduction and joint market competitiveness through **new list pricing for our portfolio of vinyl soffit & accessories, PVC trim, and injection molded products (shake/scallop siding, shutters, blocks, mounts & vents)** – as well as select vinyl panel updates.

We are confident that this simplified structure will empower our valued partners to make quicker decisions and drive sales through more structured and simplified pricing across the board.

New price sheets will be distributed by March 15, 2024, with all pricing effective April 1, 2024 - depending on contractual agreements.

We remain committed to providing our customers with high quality exterior building solutions and look forward to a continued partnership of driving growth together.

Please reach out to your sales representative if you have any questions.

Thank you for your loyalty.

Sincerely,
