To Our Valued Customers.

**Price Increase – effective Feb 12<sup>th</sup>, 2024**

We want to inform you of changes in our product pricing due to increased costs in various aspects of our manufacturing process, such as labor, packaging, and ocean freight.

Despite our efforts to enhance productivity and efficiency, these factors necessitate a 5% price adjustment on our Structa Wire products. This increase will be effective for all shipments starting February 12th, 2024.

Your dedicated Structa Wire Sales representative will be in touch with you within the next few days to provide updated pricing details. We appreciate your understanding and ongoing loyalty.

Our commitment remains strong to supply you with high-performing stucco lathing products, with a continued focus on innovation.

If you have any questions or need further clarification, please feel free to reach out to us.

Thank you for being a valued part of the Structa Wire – ClarkDietrich family.

Yours sincerely,
