

03/11/24

Due to inflationary costs in raw materials, freight and services Alco is forced to adjust the pricing on underlayment products.

**This is effective on all orders shipped on or after May 1, 2024, regardless of order entry date.**

We will strive to control these costs while continuing to manufacture high quality building materials that you expect from Alco Products. Thank you for your continued support and partnership with Alco Products. Please contact me if you have any questions.

Regards

**Mike Strube**
