August 18, 2023

To our valued millboard customers:

Homasote will be instituting a 5% price increase effect for shipments made after October 1, 2023. New price lists will be sent shortly and will replace the current price lists dated January 1, 2022.

For planning purposes, lead time remains at 4 weeks for most items.

Note, Homasote will no longer manufacture DesignWall panels. We have a limited supply available. Please call for inventory status.

As a reminder, order acknowledgments are sent 1 - 2 days after receipt of purchase order. Please review them upon receipt and advise us of any discrepancies.

Thank you for your loyalty and consideration.

Regards,

Christine Lemonick  
Director, Sales and Marketing
