Dear Valued Inteplast Customer and Partner -

Due to freight cost on PVC Mouldings and specifically long-length freight surcharges, we find it necessary to implement a 15% price increase on all PVC Mouldings and Garage Door Weatherstrip from our Glendale, WI plant.

The price increase will be effective September 1, 2023.

We appreciate your continued business and look forward to a great second half of 2023 with you.

As always if you have any questions, please do not hesitate to contact your Sales Representative or Customer Service at 800.521.4259.

Thank you for your continued business!

Sincerely,

The Inteplast Building Products Team
